**Subject:** West Lake Landfill: question from community on NRRB access

Amy, at the last CAG meeting for West Lake, the community asked whether it would be possible for the CAG, or a subset of it, to meet with the NRRB and ask questions. It sounded like they wanted their own meeting with you separate from the eventual Region 7 presentation to the NRRB on the new proposed plan. I told them I would find out if such a meeting was possible. Please let me know.

Thanks,

Daniel R. Gravatt, PG

Principles and integrity are expensive, but they are among the very few things worth having.
